The Professional Engineers and Land Surveyors Acts authorize registered civil, electrical and mechanical engineers, licensed land surveyors and licensed photogrammetric surveyors to offer and practice their profession through the medium of a firm, partnership or corporation. Board Rule 463 requires a professional engineer, licensed land surveyor or licensed photogrammetric surveyor to notify the Board, on a form prescribed by the Board, within 30 days of any such association or termination of association.

Reminder: If you form a new association and/or business, you must submit an Organization Record form notifying the Board of said association.
